### About Barbich Hooper King Dill Hoffman

Our purpose is to contribute to the economic and personal well-being of our personnel and clients by providing state-of-the-art, quality and trusted professional services.

We are a regional accounting and consulting firm located in Bakersfield, California. We currently serve over 2,000 clients, providing a wide array of services to domestic and international businesses. Our clients include individuals, agricultural com-

panies, wineries, high technology companies, manufacturers, oil and gas companies, real estate and construction companies, medical and dental organizations, service companies, non-profit charitable organizations, and professional associations. Barbich Hooper King Dill Hoffman has approximately forty-five staff members, including five shareholders (pictured above).

### Why Select BHK as Your CPA?

- Our dedication to a high level of personal service is a cornerstone of the Firm's statement of philosophy.
- We take a proprietary interest in the success of our clients. It is this guiding philosophy, and the quality of our services, that provide peace of mind, rare in today's complex world.
- When possible, you will see and speak with the same professionals year after year on your engagement with Barbich Hooper King Dill Hoffman.
- The Firm uses a timing schedule that is monitored for work completion within the agreed upon time frames. This schedule is preliminarily reviewed with the client for understanding and agreement, then followed for compliance.
- Barbich Hooper King Dill Hoffman is a regional accounting and consulting firm whose size and client base allow us to be industry driven.
- The excellent reputation of the firm in the community, among peers, and with regulatory bodies was one of the principal reasons cited in our *Client Survey* for doing business with the Firm.
- Barbich Hooper King Dill Hoffman voluntarily submits to a peer review of technical performance in the accounting and auditing areas of its practice. The most recent review of the Firm resulted in another unqualified opinion as to quality work and procedures.
- All professional staff members obtain a minimum of 40 hours per year of continuing professional education.
- Members of our firm have accepted leadership positions in the AICPA and in the California Society of Certified Public Accountants. This has the dual benefit of keeping the Firm at the forefront of regulatory changes that may be of benefit to clients, and of maintaining access to a national and international network.
- We are participants in CAMICO, a mutual insurance company, that provides us with liability insurance coverage of \$5 million.
