

About Our Firm

At Barbich Hooper King Dill Hoffman our foundational philosophy is to contribute to the economic and personal well-being of our personnel and clients by providing state-of-the art, quality, and trusted professional services.

Barbich Hooper King Dill Hoffman (BHK) is a full service accounting firm located in Bakersfield, California. For more than 40 years, BHK has offered a wide array of services to businesses and individuals, both domestic and international, including: tax planning and compliance; attestation, review and compilation services; business consulting; estate and trust planning; trustee services; international taxation; client accounting and bookkeeping;

controllership services; employee benefit plan audits; pension plan administration; litigation support; and IRS and FTB representation during audits. We service clients in a number of diverse industries, including agriculture, medical, not-for-profits, oil and energy, professional services, real estate and construction, and special districts.

While BHK offers the resources and expertise provided by many larger firms, we take pride in giving each individual client personal service. Our firm is dedicated to a high level of personal, pro-active service, and we take a proprietary interest in the success of our clients. This guiding philosophy, and the quality of our services, provides peace of mind which is rare in today's increasingly complex world.

Career Opportunities

Barbich Hooper King Dill Hoffman is a dynamic public accounting firm where you can be an essential part of our team, directly impact our clients, and build a career.

Barbich Hooper King Dill Hoffman is a large enough firm to provide complex and diverse accounting experience with clients that have local and international operations, yet small enough to give you the personalized training you need. We believe in a personal approach to business and we are dedicated to our employees and clients.

In addition to a competitive salary and generous benefit package, you will receive the support and tools needed to create your own career path. Unlike a Big 4 experience, our staff accountants have the opportunity to work in all practice areas and a variety of diverse industries. Our accountants are also afforded the ability to participate in all aspects of the public accounting profession in order to provide you a broad and comprehensive experience. You will work with all levels of professionals, including directly with partners.
